Attention: Mr. Raymond Chow

To whom it may concern,

We at China Nonferrous Metal Industry's Foreign Engineering and Construction Co., Ltd are building with the construction and commissioning of the Bozshakol and Aktogay copper mining projects in Kazakhstan.

We are using CCG Ex cable glands & junction boxes, industrial cable glands and anti-corrosive Junction boxes for most of the electrical and instrument installations to hazardous and non-hazardous areas.

I would like to thank the CCG team for all of the support with excellent services both in technical and delivery. We would not hesitate to recommend them for future projects involving hazardous and non-hazardous areas.

Yours Sincerely
